1007 EAST MAIN . SUITE 202 . BOZEMAN, MT 59715

**LOCATI ARCHITECTS** is seeking response from experienced ARCHITECTS and/or DRAFTSPERSONS to join our team in Bozeman, Montana. We are a leading regional residential and commercial design firm with projects throughout the US and Canada. Project Architects and drafters responsibilities are a 50/50 mix of functional/technical activities, problem-solving and creativity. Successful applicants will bring strong communication and collaboration skills along with the ability to work in a team environment.

**Job Description:**

- Must be able to manage multiple projects at various stages, from Design through Administration;
- Must be flexible and willing to work independently or in collaboration with teams as required on multiple projects;
- Coordination and management of all aspects of residential projects; commercial experience a plus;

**Qualifications:**

- Bachelor and/or Master Degree in Architecture; or 5+ years' experience;
- Minimum of 2 years drafting experience with Residential and/or commercial architecture and construction documents;
- Design collaboration;
- Interfacing with Clients;
- Experience with multiple projects at various stages from SD through Project Administration;
- CD Production;
- Coordination with consultants and design and documentation;
- Proficiency in AutoCAD, Microsoft Office required, Revit & Adobe products is a plus;
