

Slate Architecture is a dynamic, collaborative firm with offices in Helena, MT and Omaha, NE. We desire to immediately add an intern architect in our **Helena, MT** office. If you are a problem-solver with exceptional people skills wanting to enhance your architectural craft while working on a wide variety of project types and sizes in a team environment, we are the firm for you!

Our ten-member team is made up of motivated, fun and skilled professionals. We believe in delivering outstanding design and planning, having fun and working collaboratively in an open studio atmosphere. We focus on innovative design centered around solving our client's challenges.

Our work is largely commercial with current projects ranging from small to \$20 million focusing in mixed-use, healthcare, government, education, planning, interiors and a few residential projects.

A successful applicant will have **3—5 years** of relevant and broad-based experience.

Your skills should include:

- Good design talent and theory with proficient communication skills
- Desire to work collaboratively in a team environment. There are no offices in our studio!
- Able to coordinate multiple projects at different stages of development
- Excellent time management and organization skills are required
- Must be proficient in Autodesk Revit Architecture (Revit and limited use of AutoCAD) and SketchUp.
- We also use Microsoft Office and Adobe Suite products (Photoshop, InDesign, etc...)
- Good technical background in putting drawings together, construction detailing and coordination. Essentially, we need someone to take projects and run with them.
- Construction Administration skills are necessary and required
- Desire to be a part of the Helena area community
- Any other relevant qualifications you can bring to our team

We offer a competitive salary; good benefits, the opportunity for advancement including ownership, a wide-variety of project types and sizes all in a wonderful location.

Please provide work samples, including portfolio of design work, production experience and references to be considered. Email to [scottc@slatearch.com](mailto:scottc@slatearch.com)
